

## The Cost

An initial appointment, which lasts for up to one hour, costs £45.00. A follow-up costs £40.00. Additional charges may be made for any equipment, including Theraband, that is provided during the appointment.

Payment is required on the day of the appointment and can be made by cash, cheque or by credit or debit card.

If you have medical insurance, please bring your insurance details with you and, if possible, an authorisation number. We will then arrange for the invoice to be sent to your insurer.

Please note that if for any reason your insurer does not agree to pay for any of your physiotherapy treatment you will be liable to pay the outstanding balance.

## Cancellation Charges

Please note, we require at least 24 hours notice if you are unable to attend your appointment. In the event that you miss your appointment or do not give sufficient notice to cancel it, a charge of £25 will be made.

Level 4, Yeovil District Hospital  
Tel: (01935) 384234

## The Service

Outpatient Physiotherapy is available privately on the Kingston Wing and is operated by fully qualified physiotherapists.

The service is available Monday to Friday with various clinic times.

The Physiotherapists provide treatment for various conditions and are all specialists in their chosen area.

The service is based on the Kingston Wing, the private patient unit, on Level 4 of Yeovil District Hospital.

## Appointments

To access the service you can be referred by your GP or Consultant or you can make an appointment yourself by contacting the Kingston Wing on **01935 384234**. The staff on the Kingston Wing will make an appointment, at your convenience, with the most appropriate Physiotherapist.

## Clothing

Appropriate clothing is essential as you will be asked to remove clothing to enable the Physiotherapist to examine and treat the problem area. Please bring a vest top and shorts as appropriate.
